SOUTH FLORIDA CONSTRUCTION FIRM EXPANDS OPERATIONS TO NEW YORK CITY

Straticon, LLC, a South Florida construction firm, announced the opening of its New York Regional office today. This office will join Straticon's existing offices in Stuart and Fort Lauderdale as its third branch of operations, known as Straticon- New York. This branch will serve as a full-service firm specializing in commercial high rise, residential, and hotel construction throughout New York City. The local Executive team brings with them over \$2 billion in completed construction projects such as, the Kings County Court House, Atlantic Terminal, Hilton Time Square and 15 Metro Tech.

About Straticon

Straticon is a family-owned and operated, full-service construction firm that has completed over 25,000,000 square feet of construction. Straticon's services include General Contracting, Construction Management, Design-Build, Integrated Project Delivery, Pre-Construction, Estimating & Scheduling, Post-Construction and Safety. Straticon has been providing these services for over 26 years with licenses in 28 states. Their primary focus in the past decade has been in Miami-Dade, Broward, Palm Beach, Martin and St. Lucie counties. Throughout South Florida, Straticon has specialized in hospitality, country clubs, resorts, multi-family, commercial, retail and residential construction.
